TOUSA SEARCH AND RESCUE TEAM

HELP!!!!!! The Cache County Search and Rescue has asked if we could put together a group of club members that would be willing to assist them when needed. This group would only get called out when the search extends longer than normal. These searches aren't very often, but some new bodies are greatly appreciated and needed. You will be paired up with a member of the Search and Rescue.

What we are looking for are club members that would be willing to be on our list. We don't expect everyone to be able to go each time, and for that reason we would like to put together as many as possible. There will be a **meeting on Nov 19th 7:00pm @ the Search and Rescue building** (2785 n 900 w –@ airport, 2nd building on the west) to help prepare and train those who want to help
Requirements: **must be a club member**, be pre-approved by SAR, have your drivers license (must have it with you), beacon, shovel...they would like everyone to have a probe, radio.

If it were you up there stranded, you would want to know that there is plenty of help coming. If you are willing to help out or need more info please call or email. Kerry@axtelltaylorgm.com 435-232-9052 or Kelly 435-245-4689 kleishman@comcast.net

If you haven't paid your membership dues yet, its that time again. This is the easiest way to keep your self involved in this great sport.

Your paid membership helps to keep your great sledding areas open by giving you a voice in the constant battle to keep our backcountry open, it pays for your membership in the Utah Snowmobile Association, you'll receive great newsletters keeping you informed of all the latest happenings, and get your club discount card.

The \$35 is by far the best investment in your sleds that you can make.

Please include your name, address, phone and email, so we can keep our records current. If you are a current member needing to just renew and we have your current address and email, all we need is your money.

You can print up registration forms on line at www.topofutahsnowmobile.com/

click on JOIN and print off the form if you want to.

AWARDS! AWARDS! AWARDS!

The Top of Utah Snowmobile Association would like to recognize different individuals /families/ groups each year for their efforts and involvement in our community/sport during the year. These efforts are not necessarily tied to just snowmobiling. If you have some one that you would like to nominate as the **Top of Utah Snowmobiler/family/oldduffer of the year** please contact either Kerry or Kelly. The awards would be given at our annual fall social.

Our Gold level sponsors **Fisher Home Furnishings – B's Outback**

Top of Utah Snowmobile Association (TOUSA) is a Nonprofit Organization set up to educate snowmobilers on being responsible winter time users, Plan out fun rides for all riding abilities, set up fundraisers, plan and execute service projects, and to be the VOICE OF THE SNOWMOBILERS. To this point there have been literally thousands of hours spent on your behalf fighting to keep our backcountry open. These hours spent are all done without pay, and are all done in behalf of TOUSA and the Utah Snowmobile Association

(USA). **Utah State Parks and Recreation** offers a Know Before You Go! Snowmobile education courses. Students must pre-register for this class and will be notified of the course time upon registering.
