**\*\*\*\*PARTY \* PARTY \* PARTY \* PARTY\*\*\*\***

We are excited to be having our annual fall social, it will be on November 19<sup>th</sup> at 5:30 pm. at the BATC (Bridgerland Applied Technology College) 1301 North 600 West, Logan - enter in at the south side entrance.

Please plan on attending and inviting all your sledding buddies, there will be lots of great food and live entertainment, this year the Sagwich Basin Band from Avon will be performing, a perfect date night or family outing, it's always a good time. We will have some great door prizes and silent auction/raffle goodies that have been donated by local and not so local sponsors, so start saving those quarters. This is our clubs only fundraiser for the year, so please support this great sport.

# ITS TIME TO RENEW

If you haven't paid your membership dues yet, it's that time again. This is the easiest way to keep yourself

involved in this great sport. **You can now renew /pay online**

Your paid membership helps to keep your great sledding areas open by giving you a voice in the constant battle to keep our backcountry open, it pays for your membership in the Utah Snowmobile Association, you'll receive great newsletters keeping you informed of all the latest happenings, helps maintain the local warming huts, The \$35 is by far the best investment in your sleds that you can make. Please include your name, address, phone and email, so we can keep our records current. If you are a current member needing to just renew and we have your current address and email, all we need is your money. You can print up registration forms on line at [www.topofutahsnowmobile.com/](http://www.topofutahsnowmobile.com/) click on JOIN and print off the form if you want to. **Or pay online**

*If you are just renewing and all your info is the same all we need is your money -\$35*

YOUTH SNOWMOBILE EDUCATION

Your safety is our number one concern. Utah law requires youth, ages eight to 16 (or until they get their state issued driver license), to complete the Utah State Parks and Recreation *Know Before You Go!* snowmobile education course before operating on public lands, roads or trails. It is illegal for any child under the age of eight to operate a snowmobile on any public land.

The online youth snowmobile education course fee is \$30 per student and must be passed only once. When the test has been passed, you will have the opportunity to print out a temporary operator license that will be valid immediately; you will then receive your permanent operator license in the mail.

We strongly suggest that students thoroughly study the material prior to taking the test. **If you take the test and fail, you will need to pay for and take the test again.**

Education classes teach: safe riding, weight distribution, responsible and ethical riding, proper handling, riding within your ability

Please choose one of the following links to study, pay for, and take the *Know Before You Go!* Snowmobile youth education course test:

## TOUSA SEARCH AND RESCUE TEAM

**HELP!!!!!!** The Cache County Search and Rescue has asked if we could put together a group of club members that would be willing to assist them when needed. This group would only get called out when the search extends longer than normal. These searches aren't very often, but some new bodies are greatly appreciated and needed. You will be paired up with a member of the Search and Rescue.

What we are looking for are club members that would be willing to be on our list. We don't expect everyone to be able to go each time, and for that reason we would like to put together as many as possible. Requirements: **must be a club member**, be pre-approved by SAR, have your drivers license (must have it with you), beacon, shovel...they would like everyone to have a probe, radio.

If it were you up there stranded, you would want to know that there is plenty of help coming. If you are willing to help out or need more info please call or email. Rex Peterson (the green pickle) helping out with the road clean up this spring. Thanks to all those who have helped clean the road.
